

ICMLDE.019

Title: Special Session on	Inspecting and Debugging in Deep Learning and Machine Learning Models
Topics of Interest:	<ul style="list-style-type: none">• Investigating the bugs and interpretation of deep learning models using LIME• Computer vision applications interpretation using explainable ML.• Machine learning-based interpretations for multimodal data
Session Chair	Dr. Mohit Mittal Knowtion GmbH, Germany mittal.mohit02@gmail.com
Co-Chairs	Dr. Kanika Bhalla Washington University in St. Louis School of Medicine, USA bhalla@wustl.edu
